

OPTIMUS PRIME

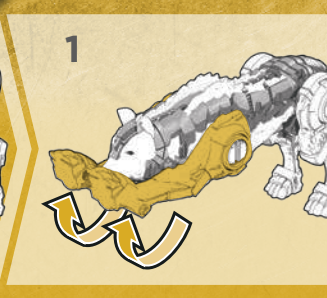

OPTIMUS PRIME

CHAINCLAW

1

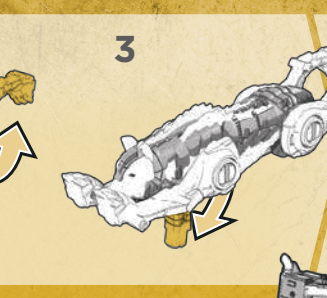

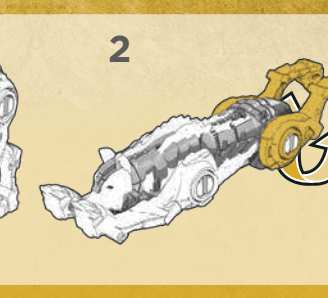

A line drawing of a robot dog's head and front legs. The head is white with black markings around the eyes and on the snout. It has two large, yellow, circular eyes. The front legs are white with black joints. The head is being attached to a grey, segmented body. Two large, curved arrows indicate the direction of movement for the head and front legs.

2

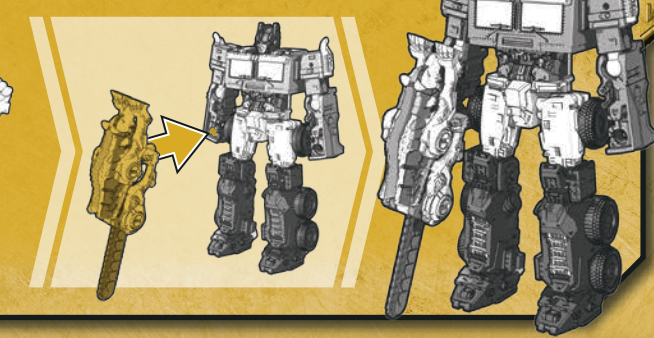

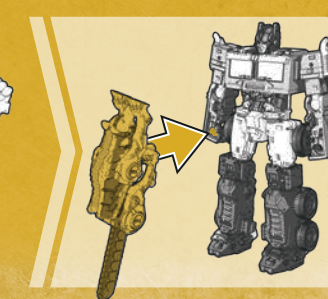

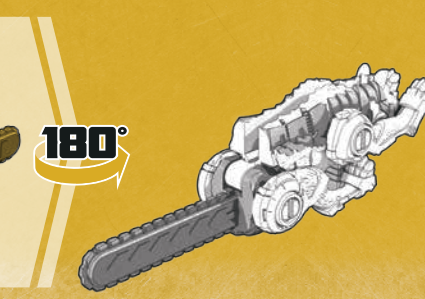

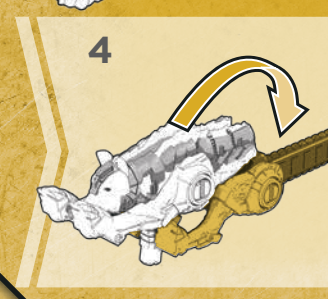

Diagram showing the assembly of the car body. A yellow and black mechanical piece is being attached to the rear of the white car body.

4

Diagram 4 shows the front suspension assembly being attached to the chassis. A large yellow curved arrow indicates the direction of movement, showing the suspension being lowered into place.
