FCC STATEMENT

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy, and it may cause interference with other devices. If you find that this equipment is causing interference, you may need to take one or more of the following measures:

CAUTION: Changes or modifications to this unit not expressly approved by the party responsible for compliance may void the user's warranty on the equipment.

CAN ICES-3 (B)/NMB-3(B)

CAUTION: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
