HEY, PARENTS!

These rules describe how to play two levels of this game. You decide which level is right for your family!

LEVEL 1 | CLUTTER CLEAN-UP

In this level, the shapes and objects are easier to find, and you'll only use one gameboard at a time.

SET UP

Choose a gameboard and use the side with a **BLUE** border.

LEVEL 2 | DAY AT THE PARK

In this level, the shapes and objects are harder to find. They may be hidden within the scene: for example, a triangle may be hidden as a street sign. You'll use all three gameboards.

SET UP

Place all three gameboards together using the sides with **YELLOW** borders to make the picture below.

THE FIRST TIME YOU PLAY

Punch out the shape cards and object cards from the cardboard sheet. Separate the three gameboards.

GET READY

1. Set up the gameboard(s) according to the level you're playing.
2. Choose to play with the shape cards, the object cards, or both. Shuffle them and place them facedown where everyone can reach.
3. Give each player one wooden nose.
4. The youngest player goes first, and play moves to the left.

ON YOUR TURN

1. Flip the top card from the deck.
2. **All players** search the gameboard for the shape or object on the card.
3. Once you spot the shape or object on the gameboard, place your wooden nose on it.

4. If you were the first to place your wooden nose on the correct shape or object, keep the card.
5. Now, it's the next player's turn to flip a card. Keep playing until you run out of cards.

HOW TO WIN

For both levels, the player with the most cards at the end of the game, wins!
