6 folders, 48 category list cards, 20-sided letter die, timer, and answer sheet pad

THE FIRST TIME YOU PLAY

Assemble the card box. You'll store the category list cards in this when you're done playing.

OBJECT

Quickly write down things that fit the categories, all starting with the letter rolled. Avoid the obvious—you only score for answers that no one else wrote!

GET READY

- Decide which number category list to play.
- Each player grabs:
 - A category list with that number
 - An answer sheet
 - A folder (to hold your list and answer sheet)
 - A pen/pencil (not included)

LIST 1	ONE	TWO
1. THINGS THAT BRING YOU JOY	1.	1.
2. TOYS	2.	2.
3. CONTROVERSIAL FOODS	3.	3.
4. FOODS/PLANTS	4.	4.
5. SPOTTED ON A COLLEGE CAMPUS	5.	5.
6. THINGS THAT HOLD OTHER THINGS	6.	6.

11. HORMONE ACTUATORS	11.	11.

PLAY

The game is played in four rounds. Each round:

1. **ROLL** the letter die and call out that letter.

2. **FLIP** the 3-minute timer (or start one on your phone). Everyone plays at once!

3. **WRITE** down answers that fit the categories and begin with the letter rolled.

- You can write **one** answer per category, filling in a single column of your answer sheet.
- You only score for unique answers, so keep ideas to yourself!

4. **TIME'S UP!** Stop writing immediately.

5. **SCORE!** Going one category at a time, take turns reading your answers aloud.

- Score **1 point** for each acceptable answer that no one else wrote.
- Write down your score at the top of that column on your answer sheet.

STARTING A NEW ROUND

Decide if you want to play with the same category list or a new one. Then roll the letter die, start the timer, and begin filling in a fresh column on your answer sheet. (Don't forget about the back!)

WIN

After four rounds, add up your score from each column. The player with the most points wins!

ACCEPTABLE ANSWERS

- The first word of your answer must begin with the letter rolled.
- Articles (*a, an, the*) do not count as first letters!
- You can't use the same answer more than once per round. (Ex: If you write *elephant* for *ANIMALS*, you can't use it again for *HEAVY THINGS*.)
- Feel free to get creative—just know you might be challenged!

CHALLENGES

If you think an answer shouldn't count, challenge it! All players—even the one being challenged—vote on the answer's validity. Majority rules. If there's a tie, the challenged player's vote doesn't count.

VARIATIONS

TWO ANSWERS: You can write **up to two** answers for each category, so you'll use your full answer sheet for one round. You still score 1 point for each acceptable answer that no one else wrote, meaning you can score multiple points per category!

DOUBLE POINTS: Score **2 points** for an answer if it repeats the letter rolled. (Ex: if the letter is *C* and you wrote *coffee cup*.)

PLAY WITH THE ONLINE TIMER!

Parents, scan the QR code or go to **go.hasbro.com/scattergories** to use the virtual timer and letter die on your phone!

Tip: Make sure your phone isn't on silent or set to auto-lock.

NOTE: The 20-sided die is heavy. Roll it only in the game box to prevent possible damage.
