THE BOARD SPACES

PROPERTIES

Properties are places you can own in MONOPOLY Town. They come in color sets.

Unowned Properties

When you land on an unowned property, you must buy it!

- Pay the Bank the amount shown on the space.
- Put one of your sold signs on that space!
- Take that space's Title Deed card.

Owned Properties

If you land on a property someone else owns, pay that player the amount shown on the space.

If you land on your own property, do nothing.

Make more money with color sets!

If you own both properties of the same color, collect two times the rent whenever another player lands on one of those properties! See your Title Deed for details.

Chance

When you land on a Chance space, take the top card from the Chance deck. Then read it out loud, and do what it says. Put it at the bottom of the deck when done.

GO

When you pass or land on the GO space, collect M2 from the Bank.

Free Parking

Nothing happens here! Just hang out!

Just Visiting

Don't worry. If you land here, you're not in Time Out. You're just visiting!

Go to Time Out

Move your token to the Time Out space! Do not collect M2 for passing GO. Your turn is over.

How do I get out of Time Out?

At the beginning of your next turn, you can:

- use a Get out of Time Out Free card if you have one
- or pay M1.

Then roll the die and take your turn.

OWE MONEY BUT CAN'T PAY?

Any time you don't have enough money to buy a property, pay rent, pay for a Chance card, or get out of Time Out, you're bankrupt! Then the game ends!

THE END OF THE GAME

The game ends when one player goes bankrupt. Then all other players count up their cash. The player with the most cash wins! If there is a tie, the tied player with the most properties wins!
